CUBS WIN.

Little Rock Travelers Score Quartet of Tallies in Opening Round-Final Count Was 5 to 3.

Prierson, Little Rock left fielder, had a great day with the mace, getting four hits out of five attempts, one a two-bagger which started the big first

Red Smith, Chick right fleiler, was the only Tribesman who could solve Rube Robinson to any extent, the red-head getting three hits in four at-tempts. In addition to his hitting, Red got a base on balls.

The big first inning was like this:
Prierson initiated Goodbred with a
two-bagger down the first base line and
Distel sacrificed. Kinsella was thrown
out by Collenberger and all looked rasy.
But Letty Grimm pasted a double to
jeft, scoring Prierson, bee Walsh pokeni
a two-bagger to right center and Grimm
went over. Tony Brottem singled to
jeft and took second on Collenberger's
bad throw to Griffin, Walsh counting.
Burke doubled to enter and Brottem
sectred. McGinnis ended the round by
grounding weakly to Jack Lewis and
going out at first.

The Travelers added their final tally in the third. With one gone, Walsh walked and Brottem was given a life when Griffin missed Collenberger's throw of Tony's grounder Burke hit a hopper to Lewis, who threw wildly to left field in an effort to shoot at second base and start a double play, with the result that Welsh scored and Burke took second. McUlanis then lined to Carroll, who doubled Burke off second, ending the inning.

The first Chick inning looked hope-ful, but not for long. With one gone Robinson issued free passes to Smith and Carroll, but Griffin whiffed and Lewis was thrown out by Disicl. In the second Bischoff and Manda both stood still and watched themselves be called out on strikes.

Close finishes marked the final harness card of the season Saturday under the anapless of the Tri-State Driving Citib. In the feastire race of the day Finis Garrett, club pacing champion, ellipsed over another victory at the expense of Ruby Bingen, Tom S., and Julius Goedman.

Finis attached the ribbon in straight heats and peeled off the second mile in the fast time of 2:16%. As was expected, Ruby Bingen, furnished most of the opensition and threatened to take the second heat. After a fine start Ruby was caught as they passed the half-nile poet and best out in a driving finish down the stretch.

Finis had already taken the first heat in handy fashion.

Griffin hit a liner to Burke, who made a nice catch of the ball. Lewis and Bischoff were easy for Rube to smother.

In the fourth Manda led with a double to center and after Collenberger had been thrown out by Diatel, Goodbred singled off Robinson's shins, Manda counting. Robby was hurt by the ball and walked around in agony for a few moments. Christenbury forced Goodbred and Smith singled to left, only to be forced by Carroll.

Griffin went up like a lion and came back like a lamb, succumbing again by way of the strikeout route. Lawis doubled to left and Smith seored. Bischoff again stood still and watched three good ones go by, being called out on atrikes for the second time of the game.

In the seventh for Little Rock Frier-son got an infield single and Distel sac-rificed. Kinsella then hit a hard drive to Carroll, who doubled Frierson off second, making the second double play of the day that Carroll started and Collenberger completed.

Expected That Choice Will Be Made Within Ensuing Two Weeks-Christenbury and Carroll Go to Braves.

BY BOB PIGUE.

ELECTION of a manager for the 1920 Tribe will be made within the ensuing two weeks, according to President Thorne R. Watkins, of the Tribe, whe has just returned from a business trip through the North and East, where he has been dickering with major league magnates.

The 1920 pilot of the Chicks will be selected from the following three men: GEORGE MORIARTY, American league unpire. JACK MILLER, infielder of the Bt.

LOUIS CARDINAS, whitelest of the St. COTTO KNABE, veteran second baseman, of Philadelphia and Chicago Nationals and former manager of the Bastimore's Federals.

While on his trip through the North and East President Watkins was in conference with Miller and Knake, but was unable to get in touch with Moriarty, owing to the fact that while the Chick mogal was in the North Moriarty was in the East. However, Watkins was in the East. However, Watkins was in communication with George and expects to have a conference with him soon.

President George Washington Grant, of
the Braves, made the Chick president
an offer that could not be turned down
and it was promptly accepted.

The Chicks will receive seven ball
players and a cash consideration for
Carroll and Christenbury. It was at
first believed that Carroll and Christenbury would be sold to the New York
Yankses, as Manager Miller Huggius
had already expressed his desire to have
both men on his team. In fact, the
Yanks made the Chick president a good
offer for the two fly chasers, but when
the Boaton Braves raised the ante
Prexy Watkins decided to let the two
suburbanities go to the Cultured City.
When the 1920 manager of the Chicks
is appointed, the first job he will face
will be to go to Boston and select the

GEORGE MORIARTY.

Out at the Home for Incurables is a former Southern league ball player, Charile Hahn by name, who is spending his days in a wheel chair as the result of having been severely stricken with rheumatism. Hahn, once a sturdy athlete and well remembered by followers of Southern league clubs in the days past and gone, has one dealre, and that is to return to his home in Nashville and spend the rentainder of his life among his kinsfolk and in familiar surroundings.

Charlie is in need of \$75 to defray his expenses, and has asked the newspapers of Memphis to lay his case before the fans of the Bluff City and see if the response will not net the sugn he needs to make the journey home. Hahn is in need, and is anxious to gratify the very natural yearning to go home and be with his loved ones.

What are you going to do about it? Haven't you a stray dollar, half or guarter to help this stricken athlete in this time of stress? Give this ex-ball player a lift. It will be bread cast upon the waters that will be rich in returns.

Send anything you can from a nickel on up to the sporting editor of The News Scimitar, and it will be turned over to Hahn. He's waiting out at the Home for Incurables for the fairs of Memphis to do him this favor.

Don't fail him.

while Moriarty and Knabe would serve as bench managers.

The Chick officials are anxious to name the 1920 pilot as soon as possible in order to begin laying the foundation for a real ball club next year. They realize that the Memphis public has long been fed up on a second division outfit and will make every effort to get a ball club that will be in the running in 1920. There will be an abundance of ball blayers next season, and the Chick officials are going to see to it that their manager whether he be Moriarty, Knabe or Miller, get busy at once and line up the proper material to make Memphis a flag contender.

Travelers Have Good Week.

Little Rock at third had the best week of any club, seven wins to a lone defeat. The Travelers took two from and dropped their enly bad game to Chattanooga. They then took a quarter from Nashville and Sunday added a single from Memphis. With a continuance of this form there is no doubt but that the Travelers will take the second honors to the Arkansas capital while the Crackers take first to the Georgia chief city. But even with a slunge of the Travelers or the 1918 champions, third place is not within reaching distance of other clubs.

Fourth place is a fight between Mobile and Chattanooga, the Bears now holding it by three points. Mobile 10st six games in nine with the Crackers and Barons. Incidentally, Suggs, the Cracker southpaw from Auburn, hurled three of the five victories over the Beer etcl-handed slungers Monday the effective pitcher significance of the double-header. Wednesday he repeated the record. Again Sunday Frank sent the collegian on the mound to face the Beers and again Sunday Frank sent the collegian on the mound to face the Beers and again Sunday Frank sent the collegian on the mound to face the Beers and again Sunday Frank sent the collegian on the mound to face the Beers and again Sunday Frank sent the collegian on the mound to face the Beers and again Sunday Frank sent the collegian of the second division, had the same record as Mobile, half dozen losses to a trio of whis.

Memphis with four victories to five "I don't Foster the idea of this joking and I'm not from the Stone age either, but I'll tell you that Deberry is very High."

Now Harry had been Ledbetter in his youth but this statement got his got and here is what he replied: "Say, if I Snapnicka will the Mayer toss me into the Fuiton jail like Kelly did."

The Crackers in retaining the safe lead this week won five of nine contests of which one, a 12-inning affair with New Orleans, was a tle. Three wins in four over Mobile were followed by the series in Atlanta with New Orleans. And there, although the Pelicans came away with two hard-earned victories, a tie and one loss, it became certain that the Heinemann tribe could hardly overtake the Frankmen.

New Orleans, due to weak playing which has characterized the club in the last few weeks, will have to show hetter form or the Little Rock club will finish second. The Pelicans lost five lanta in the quartet and the retailation in eight games.
